

Iron 12

Single storey

 3  2  1

Downsizing with style

Single level living is perfected with our functional and practical Iron design. Featuring three bedrooms and one bathroom, this home boasts an open plan design with a spacious living, dining and kitchen space that connects to an ample alfresco area inviting the outdoors in and creating the perfect entertaining space for you and your guests.

With an additional laundry room, ample storage and direct access from the garage,

the Iron is an attractive option for people looking to downsize with style, and those that are looking to build an investment.

KEY FEATURES:

- Open plan living, dining and kitchen
- Laundry
- Alfresco area
- Direct access from garage
