## A family dream home made true

The turquoise is a contemporary and sleek home with a modern floorplan that's been carefully designed for the ultimate family living experience.

Expansive in size, this design features four bedrooms, including a generous master suite with walk in robe and ensuite, all surrounding a multi-functional children's activity area with a study nook. A private office room with a powder room to work from home, and a separate living room, creating the perfect space to escape and relax in.

You'll also find the beautiful open dining and family area with an entertainers kitchen with large island bench and walk in pantry. This living

zone also connects seamlessly to the outdoor entertaining area, the perfect space to unwind in or enjoy a BBQ on those balmy nights with family and friends. The powder room, double garage and study complete this dream home.
